**The Boston Home Announces Two New Members of The Board**

Boston, Mass.—Patricia Golden Webb and Douglas Williams were recently elected to The Boston Home Board of Trustees. Located in Dorchester, The Boston Home is a long-term care facility for adults with physical disabilities, primarily multiple sclerosis and related neurological diseases.

Patricia Webb of Newton serves as Vice President of Human Resources at Boston Medical Center. Previously, Webb was Vice President of Human Resources at Wake Medical Center in Raleigh, North Carolina, and Director of Operations at University Medical Center in Jacksonville, Florida. Webb has also served on boards for the following organizations: YWCA, Red Cross, Girl Scouts of America, and the National Association of Health Services Executives. She is also a member of the American Society for Healthcare Human Resources Administration and the Society for Human Resource Management.

Webb has an MBA from the University of North Florida and a BS degree in Management & Marketing from Florida A&M University in Tallahassee.

Doug Williams of Acton serves as Vice President of Product Development at Empirix, Contact Center Test Group. Previously, Williams served as Senior Vice President of Technology and Product Development at Family Education

More

Network/Pearson LLC in Boston; Vice President of Development, Site Manager, and Director of Client Networking at FTP Software/Netmanage in North Andover; Director of Marketing and Systems Engineering at Sky Computers in Chelmsford; General Manager at Data Translation in Marlboro; Development Manager at General Electric in Fairfield, Connecticut; and Software Engineer at Sperry Corporation in Clearwater, Florida.

Williams has an MBA from Harvard Business School and a BA in Computer Science and Electrical Engineering from Princeton University.

The Boston Home, founded in 1881, is a not-for-profit, 84-bed, long-term care facility for adults with physical disabilities, primarily multiple sclerosis and related neurological diseases. It is located on Dorchester Ave. in Boston.
