FOR IMMEDIATE RELEASE:

**Dorchester Resident and Boston Home Employee
Awarded \$2,000 Scholarship**

Dorchester, Mass.—Dorchester resident Kamla Singh, a Licensed Practical Nurse at The Boston Home in Dorchester, recently received a \$2,000.00 scholarship from the Massachusetts Long Term Care Foundation. Singh is currently attending Bunker Hill Community College in the Associate Degree Program in Nursing. She joined The Boston Home in 1997 as a CNA and was later promoted to LPN.

Candidates for the scholarship must work in the long-term care field for a minimum of one year and receive above-average performance evaluations from their supervisors. They must also be currently enrolled or have been accepted into an accredited institution.

“Kamla is a highly motivated and compassionate professional, and we are pleased that she and other employees in the field have this opportunity,” said Marva Serotkin, CEO of The Boston Home.

The Boston Home, founded in 1881, is a not-for-profit, 84-bed, long-term care facility for adults with physical disabilities, primarily multiple sclerosis and related neurological diseases. It is located on Dorchester Ave. in Boston.

The Massachusetts Long Term Care Foundation, a division of the Massachusetts Extended Care Federation, awards \$150,000 in scholarships each year to individuals working in the long-term care field.
